ABOUT THE ARTIST

My name is Tove Siri Heggelund Andreassen and I am from northern Norway. If you drive as far up north as possible and then take a left, you will find my home town Andenes. After my time at Rogaland art school, I went traveling. Besides making art I also love martial arts and I started doing karate in 1981 in my hometown of Andenes. My life changed from that first moment in the dojo and karate is an important part of my life.

I ended up in Stockholm where I, as a mother of three, have worked and developed as an artist. My work now encompasses sculpture, painting and printmaking. For years I have also reached a broader audience as an illustrator of books, magazines and newspapers. In recent years I have participated in a number of both solo and group exhibitions at galleries and art halls in Norway, Sweden, Denmark, France and Russia.

Selected Art Galleries: Gallery M'ARS Contemporary Art Center, Moscow, Russia. Cherepovets Art Gallery Russia. Kazan National Museum Russia. Tête a Tête France. Kulturhuset Stockholm. Väsby Art Gallery. Karlskoga Art Gallery. Enköping Art Gallery. Piteå Art Galler. Edsviken Konsthall.
